22ND ANNUAL DARWIN BIRTHDAY GALA

Location: John Smith Hall, La Sierra Community Center
5325 Engle Road, Carmichael

Guest Speaker: Richard K. Grosberg, PhD
YOUNG DARWIN AND THE SEA:
THE MAKING OF AN EVOLUTIONIST

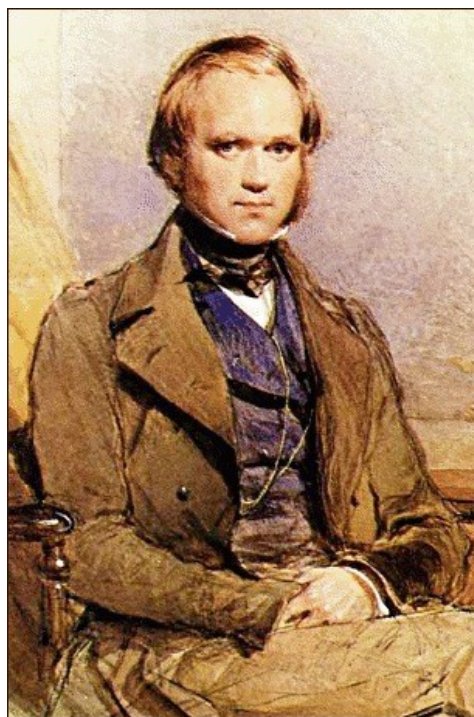

This annual gathering, which will include the usual large number of exhibitors, will attract those who hold science in high regard and who want to sustain the scientific integrity of school curricula and programs. Students, teachers, and members of the public are all invited.

Dr. Grosberg is a Professor of Evolution and Ecology at UC Davis. In 1976, he received a B.A. in biology from the University of California, Santa Cruz. In 1981, he received a Ph.D., also in biology, at Yale University.

We close the event by singing “Happy Birthday Dear Charlie,” followed by refreshments including our delicious Charles Darwin birthday cakes.

Cost of Admission: Advance payment (on-line) through February 9 is \$10. Mailed advance payment, with a check, should be sent in time to arrive by February 7. Later payments can be made at the event (on February 10). At the door, it’s \$15 per person, or for student with ID, \$5.

To pay by mail, complete the form below and mail it with your check to the address on the left.

The Darwin Day Committee, volunteers, and sponsors consist of people in the Sacramento area who have a sincere interest in science education by furthering the goals of acquiring knowledge and understanding of our universe, and how we as humans fit into our natural world.

Sponsors and exhibitors will have tables at the event.

Mail your check, payable to Darwin Day, to:
